FLIGHT CASE FOR UPRIGHT BASS (OLD MODEL)

This very ergonomic flight case is designed to store and transport upright basses in optimum conditions :

- > The prismatic shape effectively reduces weight and volume.
- > The recessed castors reduce the height of the flight case.
- > Transportation in a sloping position makes it easy to pass through doors.
- > The door lock facilitates access to the instrument.
- > The cradles and straps ensure that the instrument is firmly held in place.
- > Various compartments make it possible to store accessories.
