RYTHMES & SONS (FLIGHT-CASES) 19" MIX-RACK 5U X 10U

The RYTHMES & SONS (flight-cases) control unit 5Ux10U is specifically designed to integrate 19-inch audio equipment.

It offers a compact and functional solution for audio professionals, allowing for the transportation of a mixing console on its top section. The front panel is equipped with mounts suitable for installing various 19-inch equipment, such as players, amplifiers, effect processors, or other essential accessories.

This design enables the rapid deployment of a complete system with minimal footprint.

This control unit 5Ux10U is compatible with various mixing consoles, including the following models :
Mixer 08U ALL BRAND

WARNING, with some consoles the racking kit is optional

Developed and manufactured by Rythmes & Sons in France
