SET OF 6 MANHASSET® SYMPHONY #48 MUSIC STANDS

Created in the United States, in 1935, these music stands are famous for their sturdiness, and are used by many orchestras and concert halls throughout the world.

Their uniqueness lies in an automatic height and tilt locking system, which replaces the usual tightening screws.

The musician can therefore raise, lower and tilt the desk with just one hand.

Ideal for orchestras, music schools, conservatories and individual musicians
