Poids net (kg)	2.35

FACETED REFLECTOR FOLDING UNDERFRAME

With its smaller dimensions, this reflector is suitable for narrow spaces and can be setup close to the musician.
Foldable underframe enables storage or transportation of the reflector.

- > Dimensions: 50 x H 28 cm
- > clear unbreakable polycarbonate
- > Automatic locking system without screws in height and tilt: 93-148cm
- > Folding underframe
