RYTHMES & SONS KAIJA® CHAIR FOR CONDUCTOR

Professional versatile chair designed to support the conductor in their directing activities. It provides them with the opportunity to focus effectively on their work.

The relatively lightweight of this high chair makes it highly maneuverable for both fixed and mobile setups.

The chairs can be stacked by 4 which makes the storage easier and reduces the clutter.

This chair is **guaranteed to be squeak-free and free from background noise**, thanks to high-quality design and manufacturing. The construction quality ensures a minimum usage life of 10 years.
