FLIGHT-CASE FOR SRG300 SONY HD INTEGRATED CAMERA AND ACCESSORIES

Our case is the ideal protection for your **SONY SRG300** camera. It combines **maximum security**, premium finish, and on-the-go practicality.

The all-birch plywood panels with a black hexagonal relief finish are **ultra-resistant to shocks, scratches, and impacts during transport**. Its recessed handle with dual return springs offers a **comfortable grip**, while the protective feet ensure excellent stability. High-density foam padding provides optimal support for your camera, even under heavy handling.

The **compartments** are perfects for **storing accessories** such as cables, power supplies, or remote controls keeping all your essential gear within easy reach.

Compact, rugged, and lightweight, this case is the reliable transport solution you need for shoots, live events, or professional travel.

Developed and manufactured by Rythmes & Sons in France
