SPINBLE[®] SMALL : UNWINDING TRAY FOR CABLE SPOOL Ø630

Save time and improve your working conditions for winding and unwinding cables thanks to SPINBLE[®]

SPINBLE[®] allows all kinds of cables, sheaths or wires to be moved and unwound without twisting.

The directional locking system of the casters makes it possible to transform the rolling tray into an unwinder.

You can stack up to 3 SPINBLE[®] which facilitates storage in your premises and vehicles.

SPINBLE[®] allows the unwinding of cable spool with damaged flanges. A tie-down strap can strengthen the retention of the cable roll(sold separately).

SPINBLE[®] is suitable for indoor and outdoor use.
