MOBILE AND BROWN BLACKOUT PARTITION WALL, DIM. 0,90XH2M

This mobile partition wall is ideal for delimiting a space in offices, schools, hotels, restaurants, factories... while guaranteeing privacy and confidentiality.

It is easy to install and requires no drilling.

The partition can also be used as a billboard or mobile communication panel.

9mm brown phenolic faced birch plywood:

- > Dimensions: 0,90xH2m
- > Resistant to wear, weather and common chemicals
- > Complies with ISPM15 standard
- > Easy to clean

Stable steel support:

- > Length: 60 cm / Width: 6 cm / Thickness: 1 cm
- > Heavy for excellent stability
- > Dismountable
- > High resistance black epoxy paint finish
- > Nestable base which optimizes storage
- > Easy to clean

Height of the partition adapted to the door passage
Assembly by 4 butterfly screws, to do by yourself

Developed and manufactured by Rythmes & Sons in France
