OKTAVIACHAIR ADJUSTABLE MUSICIANS CHAIR + MANHASSET® #48 MUSIC STAND

Chair :

This chair is ideal for music schools, where children of all ages and sizes use the same chairs.

OktaviaChair is an evolving chair because its adjustments allow it to be adapted to the child and follow them throughout their musical career.

- > Seat tilted slightly forward
- > Height adjustable seat
- > from 28 to 68,8 cm
- > Lightweight, easy to store and transport
- > Stackable chairs

MANHASSET® #48 Music Stand :

Created in the United States, in 1935, these music stands are famous for their sturdiness, and are used by many orchestras and concert halls throughout the world.

Their uniqueness lies in an automatic height and tilt locking system, which replaces the usual tightening screws. The musician can therefore raise, lower and tilt the desk with just one hand.

Ideal for orchestras, music schools, conservatories and individual musicians

- > Most famous Manhasset® Music Stand
- > Can be adjusted in height or tilted with one hand
- > Made in the USA
